Dear Doug,

Your beautiful X'mas card was handed to me by La Cuesta just before our Agbayani Village meeting. You may not believe it: but when I opened and read to them of your greetings and showed them the gift to the village of $1,000.00, they all came around to touch the check saying "Mabuhay Douglas!"

We all wish to thank you for the gift and we want you to know that your beautiful thoughts and kind regards to us will always be cherished in our hearts.

The pictures enclosed are of the Agbayani Village - the future home of retired farmworkers. May they serve as tokens of gratitude to your most welcomed contributions that helped in the construction of this beautiful home. Also, may they be constant reminders of the hard long struggles and sacrifices we suffered together to garn peace, justice and dignity for all farmworkers. At this moment, well, as you said in your letter - "We beat them once and we will beat again." Si se puede!

The picture of me and Philip and George (Director of the construction) was taken on the request of Helen Chavez to be put in the Malcriado. George also received a donation of # 1,000.00 from a friend in Texas. We are hoping and praying that God may touch the heart of some to also do this benevolent and worthy act.

Happy to know you are now in school again. From an uncle's advice, I want you to stick to your studies and become an economist farmworker.

Again, we thank you for your donations and may we look forward to seeing you again at the grand opening of the village so that we will share together our happiness in celebration of this beautiful home.

Viva! Mabuhay!!
